

Walsall Healthcare

NHS Trust

SKS *Library and Knowledge Services*
LKS **Embedding Evidence Into Practice**
L **Case Study 3**

Who:

Senior Registrar
Paediatrician.

Research request:

Support for journal club
presentation about
Bulging Anterior
Fontanelle (BAF).

What we did:

Discussed evidence
requirements.

Carried out a literature
search on behalf of the
Senior Registrar and
emailed relevant
references.

Supplied multiple copies
of articles selected for the
journal club discussion.

Benefit and impact:

Saved valuable consultant
time.

Evidence required for journal
club supplied in a timely
manner.

Raised awareness of best
practice for future cases of
(BAF).

Helped prioritise use of
resources without
compromising patient safety,
experience or outcomes.
