

Ways of searching *DynaMed Plus*

When searching *DynaMed Plus*, you have the ability to **view** a result list of topics related to your search terms or **go directly** to a specific *DynaMed Plus* topic when one matches your terms.

1. Begin entering your search **term(s)** in the search box.

As you type, *DynaMed Plus* topics and searches matching your terms appear below the search box.

2. Select a *DynaMed Plus* topic under **Go To** to go directly to the topic or select a search term under **Search For** to view a result list.

You can also click the **Search** button at any time to view a result list.

3. *DynaMed Plus* displays a Result List. The topics in the Result List are ordered by relevance, based on the term you entered. Note that the term(s) might not exist in the topic title.

If an exact match for your terms is available, it appears above the Image Results.

Searching within results

When viewing a *DynaMed Plus* topic summary, you have the ability to search for specific terms within the summary using the **Search Within Text** tool located at the top of the left-hand column.

1. On the Topic Summary page, enter a search term in the **Search Within Text** field and click the magnifying glass icon.

The topic summary page headings are expanded and terms appearing in the text are highlighted in yellow.

2. Click **Next** to view each instance of the term in context.

The screenshot shows the EBSCOHealth DynaMed Plus interface. At the top, there's a header with 'EBSCOHealth' and 'Calculators'. A search bar contains 'Abdominal aortic aneurysm (AAA)' with a 'Search' button. Below the search bar, the left sidebar shows '93 instance(s) of EVAR found' with 'Previous' and 'Next' buttons. The main content area is titled 'Abdominal aortic aneurysm (AAA)' and includes a 'Treatment / Treatment overview' section. The sidebar also lists 'Related Summaries' such as 'General information', 'Epidemiology', 'Etiology and Pathogenesis', 'History and Physical', 'Diagnosis', 'Treatment', 'Medications', 'Surgery and procedures', and 'Follow-up'.

3. Click the  icon to close the Search Within Text area.

You can contact [Bali Moore](#) (01922 656920), Certified DynaMed Plus Trainer for further assistance and to book a tutorial.
