Objectives and Activities

The Walsall Healthcare NHS Trust General Charitable Fund is governed by a model declaration of trust for a NHS charity. The objectives of the charity are for any charitable purpose or purposes relating to the National Health Service wholly or mainly for the service provided by the Walsall Healthcare NHS Trust.

The charity is registered with the Charity Commission who have declared that, under the provisions of section 96 of the Charities Act 2011, the charity and the following charities shall be treated as a single charity for the purposes of Sections 3 and 4 (Registration) of the Charities Act 2011 and for the purposes of Part IV of that Act (Accounting):

- 1. Corporate including General and Educational Fund
- 2. Medical Specialties Fund
- 3. Surgical Specialties Fund
- 4. Women's Children's and Community Services Fund
- 5. Specialist Palliative Care Fund

Achievements and Performance

During the year the total balances on funds reduced by £239,000. The net total of donations and income from investments was £70,000 (including revaluation and disposal of investments) with total expenditure at £309,000.

Donations are received from a wide variety of sources, including bequests. Donations of £37,000 were received from League of Friends to purchase medical equipment including a desktop dental scanner. The total value of donations and legacies received in the year was £216,000; many of these were received as a way of expressing gratitude for the care provided to individuals or their relatives.

The charity fundraiser arranged fundraising and awareness events for the benefit of the Charity during the year details of which is included within the attached Well Wishers report. The Charity also benefited from specific fund raising events arranged by Trust employees and external bodies.

During the financial year £8,900 was also received in relation to the Staff Lottery which was the initiative of the Well Wishers (associated trading name of Walsall Healthcare NHS Trust General Charitable Fund).

The charity ensures that donations received are used in accordance with the wishes of the donor i.e. to purchase medical equipment, provide amenities to patients and staff and finance limited education and medical research.

Charitable funds have been used to purchase medical equipment, to provide amenities for patients and staff and to finance limited medical research and education. As an example during the financial year the following items of medical equipment were purchased:

| Cerebral Function Monitor | £14,158 |
|-------------------------------|---------|
| Mobility Scooter | £6,600 |
| Wall Padding for Sensory Room | £5,925 |
| Sertain Intensive Care Chair | £5,499 |

Financial Review

The Charity has the following commitments for the forthcoming year:

| Chemotherapy Chairs | £27,579 |
|----------------------------|---------|
| Set up and equip Teen Room | £15,320 |
| Long Service Awards | £12,250 |

During 2018/19 the value of investments within the portfolio reduced by £372,000, representing a decrease of 29%. The overall loss on the revaluation of investments within the portfolio is £202,000 taking into consideration the cumulative gain of £157,000 from 2017/18. This reflects a revaluation loss on investment of 18% after the disposal and purchase of investments.

The value of the Portfolio has been considerably impacted / impaired by the considerable reduction in the level of donations received in the last few years. Increased levels of expenditure and commitments have affected the investment manager's growth strategy as the charity has required cash resources to settle creditor commitments. The uncertainty created by BREXIT has also affected the investment strategy, and resulted in a significant loss in value as a number of investments dropped below their investment cost.

The Corporate Trustees have considered exposure to falls in the value of investments as the major risk to which the Charity is exposed. The Investment strategy has been revised to change the weighting of the investments within the portfolio. This was required to empower the investment manager to respond quicker to changing market conditions and ensure a contradictory strategy was not deployed to maintain previous disadvantageous equity ratios.

Investments are not made in industries whose aims and objectives are contrary to those of the NHS, e.g. Tobacco Industries, Breweries.

Reserves Policy

The trustees have established a reserves policy as part of their plans to provide long term support to the Trust for research, education, new equipment, staff and patient benefits and building work.

The trustees intend that funds are spent within a reasonable period of receipt and therefore plan to maintain reserves sufficient to cover an average of 6 months spending.

The reserves policy recommends holding a minimum of £500,000 of unrestricted funds. At 31 March 2019 unrestricted funds were c£655,000.

Structure, Governance and Management

The Walsall Healthcare NHS Trust Board as the Corporate Trustee of the Charitable Funds is governed by the law applicable to Trusts, principally the Trustee Act 2000 and also the law applicable to Charities which is governed by the Charities Act 2011.

As Corporate Trustee, the Trust Board is responsible for the overall management of Charitable Funds.

The Trust Board has devolved responsibility for the on-going management of the funds to the Charitable Funds Committee; the Committee membership comprised:

| Mr A Yates: | Non-Executive Director (Chair from January 2019 meeting). | | |
|-----------------------|--|--|--|
| Mrs V Harris: | Non-Executive Director (Chair up to January 2019 meeting). | | |
| Mr R Beale: | Non-Executive Director (Member to September 2018 meeting). | | |
| Mr J Dunn | Non-Executive Director (Member from January 2019 meeting). | | |
| Mr P Gayle | Non-Executive Director (Member from January 2019 meeting). | | |
| Mr Russell Caldicott: | Director of Finance | | |
| Mrs K Dunderdale | Director of Nursing (Member from September 2018 meeting) | | |
| Ms K Blackwell | Director of Nursing (Member from June 2018 meeting to | | |
| | September 2018 meeting) | | |
| Mrs B Beale | Director of Nursing (Member to June 2018 meeting). | | |

Members are appointed to the Charitable Funds Committee by election of the presiding Trust Board members.

The Charitable Funds Committee review financial performance of the investment portfolio, monitor and approve expenditure and the balances held on funds, to ensure the objectives of the Charity are satisfied and ultimately that of the general public.

Reference and Administrative Details

All donations will be gratefully received and will assist in improving patient and staff amenities. They should be sent to:

The General Office Walsall Healthcare NHS Trust Manor Hospital Moat Road Walsall WS2 9PS

Donations are paid into the Walsall Healthcare NHS Trust General Charitable Account.

Approved on behalf of the Trustee

MR RUSSELL CALDICOTT DIRECTOR OF FINANCE

WALSALL HEALTHCARE NHS TRUST

CHARITABLE TRUST ACCOUNT 2018/2019

Statement of trustees' responsibilities

The trustees are responsible for:

- a. Keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the funds held on trust and to enable them to ensure that the accounts comply with requirements in the Charities Act 1993 and those outlined in the directions issued by the Secretary of State;
- b. Keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the funds held on trust and to enable them to ensure that the accounts comply with requirements in the Charities Act 1993 and those outlined in the directions issued by the Secretary of State;
- c. Establishing and monitoring a system of internal control; and
- d. Establishing arrangements for the prevention and detection of fraud and corruption.

The trustees are required under the Charities Act 2006 and the National Health Service Act 1977 to prepare accounts for each financial year. The Secretary of State, with the approval of the Treasury, directs that these accounts give a true and fair view of the financial position of the funds held on trust, in accordance with the Charities Act 2006. In preparing those accounts, the trustees are required to:

- a. Apply on a consistent basis accounting policies laid down by the Secretary of State with the approval of the Treasury:
- b. Make judgements and estimates which are reasonable and prudent;
- c. State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts.

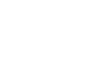

The trustees confirm that they have met the responsibilities set out above and complied with the requirements for preparing the accounts. The financial statements set out on pages 5 and 6 attached have been compiled from and are in accordance with the financial records maintained by the trustees.

By Order of the Trustees Signed:

James

Chair

Trustee

WALSALL HEALTHCARE NHS TRUST

FUNDS HELD ON TRUST ANNUAL ACCOUNTS 2018-19

FOREWORD

These accounts have been prepared by the Trustees under section 98(2) of the National Health Service Act 1977 (as amended 2006) in the forms which the Secretary of State has, with the approval of Treasury, directed.

STATUTORY BACKGROUND

The Trustees have been appointed under s11 of the NHS and Community Care Act 1990.

The Walsall Healthcare NHS Trust General Charitable Funds held on trust are registered with the Charity Commission and include funds in respect of the Manor Hospital.

MAIN PURPOSE OF THE FUNDS HELD ON TRUST

The main purpose of the charitable funds held on trust is to apply income for any charitable purpose relating to the National Health Service wholly or mainly for the services provided by the Walsall Healthcare NHS Trust.

Independent examiner's report to the Trustees of the Walsall Healthcare NHS Trust General Charitable Fund (charity number 1057416)

I report on the accounts of the Trust for the year ended 31st March 2019 which are set out on pages 1 to 9 of the Funds Held on Trust Annual Accounts 2018-19

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed.

It is my responsibility to:

examine the accounts under section 145 of the Charities Act, to follow the procedures laid down in the general Directions given by the Char ity Commission (under section 145(5)(b) of the Charities Act, and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission . An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

the accounting records were not kept in accordance with section 130 of the Charities Act; or the accounts did not accord with the accounting records; or

the accounts did not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give 'true and fair' view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Use of our report

This report is made solely to the trustees, as a body, in accordance with our engagement letter dated 16 December 2019. The examination has been undertaken so that we might state to the trustees those matters that are required to be stated in an examiner's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the trustees as a body, for this examination, for this report, or for the statements made.

Stephen Clark

For and on behalf of Ernst & Young LLP

UNAUDITED - CHARITABLE TRUST ACCOUNTS - WALSALL HEALTHCARE NHS TRUST - 2018/19

NOTES TO THE ACCOUNTS

1. Accounting Policies

1.1 Accounting Convention

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities published on 16/07/14, the Financial Reporting Standard for Smaller Entities (effective January 2015). Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

b) Preparation of the accounts on a going concern basis

These accounts have been prepared on a going concern basis. The trustees have been regularly updated on the financial activities of the charity during the financial year and are not aware of any material uncertainties that will affect the charity continuing in operational exsitence for the foreseeable future. For this reason the trustees continue to adopt the going concern basis in preparing the accounts.

1.2 Income Recognition

- a. Income is recognised in the Statement of Financial Activities when the following three factors are be met:
 - i. Entitlement arises when a particular resource is receivable or the charity's right becomes legally enforceable;
 - ii. Probable when there is a reasonable certainty that the incoming resources will be received: and
 - iii. Measurement when the monetary value of the income and related transaction costs can be measured with sufficient reliability.

b. Gifts in kind:

- i. Assets given for distribution by the funds are included in the Statement of Financial Activities only when distributed.
- ii. Assets given for use by the funds (e.g. property for its own occupation) are included in the Statement of Financial Activities as incoming resources when receivable.
- iii. Gifts made in kind but on trust for conversion into cash and subsequent application by the funds are included in the accounting period in which the gift is sold.

In all cases the amount at which gifts in kind are brought into account is either a reasonable estimate of their value to the funds or the amount actually realised. The basis of the valuation is disclosed in the annual report.

c. Intangible income

Intangible income (e.g. the provision of free accommodation) is included in the accounts with an equivalent amount in outgoing resources, if there is a financial cost borne by another party. The value placed on such income is the financial cost of the third party providing the resources.

d. Legacies

Legacies are accounted for as incoming resources once the receipt of the legacy becomes reasonably certain. This will be once confirmation has been received from the representatives of the estates that payment of the legacy will be made or property transferred and once all conditions attached to the legacy have been fulfilled.

1.3 Resources expended

The funds held on trust accounts are prepared in accordance with the accruals concept. All expenditure and the related liability is recognised once there is a legal or constructive obligation to make a payment to a third party.

a. Cost of generating funds

The cost of generating funds are the costs associated with generating income for the funds held on trust.

b. Grants payable

Grants payable are payments, made to third parties (including NHS bodies) in the furtherance of the funds held on trust's charitable objectives to relieve those who are sick. They are accounted for on an accruals basis where the conditions for their payment have been met or where a third party has a reasonable expectation that they will receive the grant. This includes grants paid to NHS Bodies.

c. Governance Costs

These are accounted for on an accruals basis and are recharges of appropriate proportions of the costs from Walsall Healthcare NHS Trust.

1.4 4 Structure of funds

Where there is a legal restriction on the purpose to which a fund maybe put, the fund is classified in the accounts as a restricted fund. Funds where the capital is held to generate income for charitable purposes and cannot itself be spent are accounted for a endowment funds. Other funds are classified as unrestricted funds. Funds which are not legally restricted but which the Trustees have chosen to earmark for set purposes are classified funds. The major funds held within these categories are disclosed in note 1.10.

1.5 Investment Fixed Assets

Investment fixed assets are shown at market value.

- a. Quoted stocks and shares are included in the balance sheet at mid-market price, ex-div.
- b. Other investment fixed assets are included at trustees' best estimate of market value.

1.6 Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (or date of purchase if later). Unrealised gains and losses are calculated as the difference between market value at the year end and opening market value (or date of purchase if later).

1.7 Pensions Contributions

The charity does not directly employ individuals, however the costs of the fundraiser have been recharged and therefore pension contributions are indirectly paid by way of this salary recharge.

1.8 Change in the Basis of Accounting

There has been no change in the basis of accounting during the year.

1.9 Prior Year Adjustments

There has been no change to the accounts of prior years.

1.10 Pooling Scheme

An official pooling scheme is operated for investments relating to the following funds:

Corporate including General and Education Funds Medical Specialties Fund Surgical Specialties Fund Women's, Children's and Community Services Fund Specialist Palliative Care

These are further sub-divided into some 40+ funds relating more specifically to donor wishes.

The Scheme was registered with the Charity Commission on 17 March 1998.

12 Commitments, Liabilities and Provisions

Commitments

The Trust has the following commitments:

Commitments outstanding at the beginning of the year

Commitments in year

Amount charged to the SOFA in year

Amounts released during the year due to a change in the value of the commitment

Amount of commitments outstanding at the end of the year

Amount payable within one year

Amount payable in more than one year

2019 £000 155 367 (234) (156) 132

The value of commitments at the end of the year are not included within the balance sheet and reflect the Charity's intention to purchase equipment in the forthcoming year.

The Charity has the following commitments for the forthcoming year:

| Desktop Scanner (funded by LoF) | £31,795 |
|------------------------------------|---------|
| Chemotherapy Chairs | £27,579 |
| Set up and Equipment for Teen Room | £15,320 |
| Long Service Awards | £12,250 |

12.1 Liabilities and Provisions

The trustees recognise liabilities in the accounts once they have incurred either a legal or constructive obligation to expend funds. The trustees do not consider there to be any provisions which need to be included in these accounts.

13 Trustee and Connected Persons Transactions

No expenditure has been incurred in respect of trustees or connected persons during the year.

14 Loans or Guarantees

The Charity does not hold any assets against which a loan or guarantee has been secured.

15 Related Party

During the year none of the trustees or members of the key management staff or parties related to them has undertaken any material transactions with the Walsall Healthcare NHS Trust General Charitable Fund. However, the charity has made revenue and capital payments to Walsall Healthcare NHS Trust.

Walsall Healthcare NHS Trust is a related party of Walsall Healthcare NHS Trust General Charitable Fund. A significant proportion of the £309,000 expenditure transactions processed within the year for the benefit of the patients and staff of the hospital are made via Walsall Healthcare NHS Trust and reimbursed by the Charity.

Donations received during the year and balances brought forward were utilised to purchase capital items to the value of £34,000 which were recorded as donated assets within the accounts of Walsall Healthcare NHS Trust.
