
SERVICES FOR EXPECTANT AND NEW MOTHERS

PRIORITY SERVICES REGISTRATION

If you already have children under the age of 5, or once your baby is born, you qualify to go onto the Priority Services Register, which is free to join and we can help you register. Sometimes power cuts can happen which can be particularly worrying. By joining the PSR you will receive a direct number to call if the power is cut and you will be kept informed of what is happening. You could be provided with special help, if needed.

BENEFIT ENTITLEMENT CHECK

All income into the household will be checked to ensure you are not missing out of receiving any extra benefits. We will discuss the Healthy Start Vouchers and the Sure Start Maternity Grants with you and see if you qualify.

There are other grants available which you may be able to claim, such as Warm Home Discount, these will be discussed with you to see if you can claim.

ENERGY CHECK

An energy check together with hints and tips will take place to help reduce energy usage and costs. Energy tariffs can be checked to find the best deals to see if your electricity and gas expenses could be lowered.

We will check if you meet the criteria for extra help, such as a new boiler, cavity/loft installation.

Contact: ENMinfo@hope4u.co.uk or phone 0330 320 2140 for information.
