

BLACK COUNTRY AND WEST BIRMINGHAM

**Local Maternity System**

Working collaboratively to improve maternity services

# Your local maternity voice

What  
matters  
to you?

Designed for parents, their families, midwives, patient representatives and community services/charities who have an interest in improving maternity services across the Black Country and West Birmingham.

## Ensuring every voice counts.

Join the conversation with your local  
**Maternity Voices Partnership.**

### Walsall Maternity Voices Partnership

If you would like to get involved,  
please contact:

**Walsall:** [walsall.mvp@nhs.net](mailto:walsall.mvp@nhs.net)

[www.facebook.com/walsallmvp](https://www.facebook.com/walsallmvp)

## Local maternity services. What matters to you?

MVP's meet throughout the year and being part of a MVP is a great way for you and your family to share experiences to help shape future maternity services. Babies and children are very welcome to attend. Connect to your local MVP to see how you can get involved.

### Other ways of sharing your experiences

Speak to your local community midwife or health visitor

Complete the 'Friends and Family' survey
