

The Maternity Voices Partnership (MVP)
was created to ensure that
your voices are heard.

Have you accessed
Maternity Services
in the last 3 years?

Do you want to share your story?

We would love to hear from you,
as your experience and feedback
is vital in shaping the future of
your local Maternity and
Neonatal services.

Some of the ways
you can be involved:

- Attend Quarterly Meetings
- Promote your local MVP
- Volunteer as part of your MVP

and much more, or less, it's
up to you.

Your Local MVP's are:
