

Walsall Family Hubs

Supporting families to live happier lives

Walsall's four Family Hubs are based in the heart of our local communities. They provide a welcoming space, offering help and support for a range of children's services. This includes face-to-face support, a virtual offer and outreach services. The services and support are aimed at children aged 0-19 (0 to 24 for children and young people with special educational needs and disabilities), their parents and carers.

We also have an additional 10 'community spokes' based in voluntary and community buildings across the borough. These offer a range of local community activities and services for families, children and young people.

Services that form part of our Family Hubs and spokes are:

Benefits & Financial support

Child Development

Early Help & Children's Social Care

Employment & Training

Housing

Infant Feeding support

Midwives & Health Visiting

Speech & Language

Stay & Plays

Parenting support

Police
